ANNOUNCEMENTS

Nuggets on Stewardship:

When God entrusts man with riches, it is that he may adorn the doctrine of Christ our Saviour by using his earthly treasure in advancing the kingdom of God in our world. He is to represent Christ, and therefore is not to live to please and glorify himself, to receive honor because he is rich.

When the heart is cleansed from sin, Christ is placed on the throne that self-indulgence and love of earthly treasure once occupied. The image of Christ is seen in the expression of the countenance. The work of sanctification is carried forward in the soul. Self-righteousness is banished. There is seen the putting on of the new man, which after Christ is created in righteousness and true holiness.—
